They currently have a flourishing Band Program, and wish to embark on a choral program as well. All the students attending the school are funded through donations. The school was founded by donations from First United Methodist Church, Ann Arbor.

Michael and Kimerica Parr have sung throughout Canada, the USA, Europe and most recently, Asia. Both have sung with the Michigan Opera for ten years prior to embarking on their solo careers.

There will be a free will offering collected for the Kenya Music Program.
